ACADEMICS

ACADEMIC LIFE

Muhlenberg College's academic life is one that caters to its students. Through its class sizes, computer availability and information services, the students are exposed to state-of-the-art equipment, as well as the most current information. This provides the students with a top-notch education.

With its dedication to the liberal arts ideal, Muhlenberg offers a diverse course of study through its requirements. Along with the course load, Muhlenberg offers independent studies, internships and semesters abroad.

Above all, Muhlenberg's administration and faculty are the key to the solid education that is provided. With their exceptional backgrounds and enthusiasm for teaching, they supply their students with the knowledge and the desire to learn.

Muhlenberg provides its students the opportunities they need to gain a quality education and prepares them to enter the "real" world with confidence, education and ability.

ANTHROPOLOGY/SOCIOLOGY AND ART

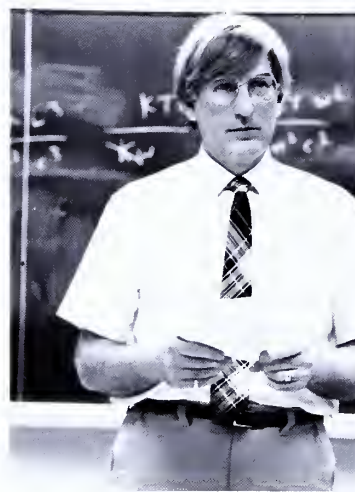

The Anthropology/Sociology Department studies both the past and the present through its course offerings. Some students get hands on experience with the past in the Archeology Lab while others learn about today's society in the classroom. The department supports the Archeology Club which visits museums and occasionally goes on some interesting digs. The Art Department offers courses for both beginning and advanced artists. The studio art courses allow students to test their artistic ability while the fine art courses allow students to critique the work of others. Several times a year faculty and students' works are put on display in the Muhlenberg Gallery.

CHEMISTRY

Besides producing graduates who attend medical school and graduate school, the Chemistry Department also has many majors who plan to pursue careers in education and business. As well as attending lectures, all majors are required to participate in lab work, research projects, internships, and seminars. Students who complete these rigorous requirements are given American Chemical Society Certification upon graduation.

DRAMA AND EDUCATION

The Drama Department offers students the chance to get a behind the scenes understanding of the theater. The department has been designed to prepare its majors for entrance into advanced study in theater or a greater understanding and commitment to dramatic productions. The Muhlenberg Theater Association annually puts on five productions, including one musical.

Teaching certification is the primary goal of the Education Department. Although this department offers no major program, completion of required courses leads to certification in teaching. The department requires two student teaching experiences to ensure that the students fully understand the purpose of education.

FOREIGN LANGUAGES

Dr. John Pearce
Associate Prof. of French/Spanish

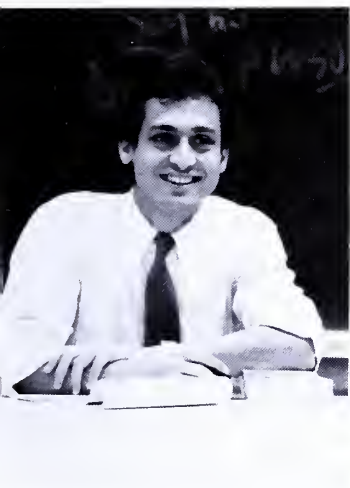

Dr. Jose Lopez
Associate Prof. of Spanish

Dr. Joan Marx
Assistant Prof. of Spanish

"Learn a foreign language, know another world," says spanish major Janelle Hoch. Students who decide to major in a language not only get the benefit of a strong department but also get the opportunity to study abroad. A semester spent in Spain, France, Germany, etc. is often the most enjoyable semester of these majors' college careers. Along with obtaining fluency in a foreign language, majors must successfully pass a seminar or comprehensive examination covering language, literature, and culture.

PHYSICS AND POLITICAL SCIENCE

Dr. Robert Milligan
Professor of Physics

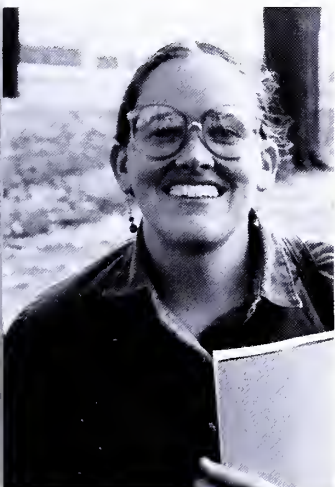

Dr. Walter Loy, Jr.
Head of Physics Department

Dr. Joseph Molitoris
Assistant Prof. of Physics

The Physics Department provides a strong background in both classical and in modern physics for its majors. With the aid of some high tech equipment, students are able to complete state of the art experiments. A physics major is very challenging and its graduates attend graduate schools, medical schools, and pursue engineering careers. The Political Science Department has a large number of majors, many of whom have law school aspirations. The department is broken down into various categories of which majors can choose from a wide variety of courses. Internships in local government, law offices, and with attorneys are highly encouraged.

SPORTS

LEFT: Andy Becker attacks the ball carrier.

ABOVE: Mike Pagan busts through the line.

FOOTBALL

ABOVE: Cheering on the Mules.

ABOVE: Mitch Schwartz rattles the defense.

The Mules entered the 1989 football season with the distinction of having gone 7-3 in each of the last four seasons. After a scrimmage against Kean College, 9th year coach Ralph Kirchenheiter handed the offense to sophomore Clarke Paulus, and assigned the backfield duties to senior Keith Esposito and junior Mike Schweitzer. The offensive front looked solid, and was led by Andy Becker at tackle. He was joined by guards Jeff Sponenberg and John Michelin. The defense's strength was its experience. Anchored by co-captain defensive end Mark Marino,

the Mules returned 5 defensive starters. In the Mules first game at Susquehanna, quarterback Paulus platooned with freshman Mickey Rowe as neither of the young QB's could successfully drive the ball. On the plus side, junior cornerback Mike Pagan intercepted two passes and scored the Mules only TD as the Crusaders won 24-6. The team captured its first win of the season by crushing Western Maryland 28-13. The ever strengthening offense was sparked by junior wide receiver Nick DiGiorgio, who caught 6 passes

for 133 and a TD. Senior Mike Schweitzer and junior Rob Paessler each ran for season high yardage. The defense also sparkled, and was led by seniors Mike Baraldi and Jim Brown. After a modest three-game winning streak, the Mules tied Gettysburg at 10, and completed the season by losing to cross-town rival Moravian, finishing at 5-4-1. At the end of the season, Coach Kirchenheiter announced his resignation as head football coach, but retained the position of athletic director.

ABOVE: Keith Esposito takes a break from action.

A FALL TO 5-4-1

The 1989 Muhlenberg Soccer Team looked to improve on an impressive 19-4-1 record in '88, a record which brought the team a league championship. In addition, the Mules aspired to gain something their remarkable record of a year ago couldn't produce: a bid in the NCAA tournament.

Coach Jeff Tipping greeted about 25 candidates for the start of workouts in August. Once again, the Mules' strength was its defense, an experienced crew led by juniors Ian Williams and Rob LaBranche along with sophomore Joe Fix. Sophomore

Chris Browne ruled in the nets. Senior Chris Bingham, aided by juniors Gary Hind and Jim Vogel, looked to spark the offense. The midfield attack was anchored by senior Mike Ruhnke and juniors Tom Sabo and Bill Pank.

The Mules won their first two games against Bloomsburg and Swarthmore by a combined score of 9-0. The team then swept through the Elizabethtown tournament, defeating Montclair State and E-Town. The E-Town game, a 1-0 victory, was the first of seven consecutive shutouts for the Mules. Mo-

ravian ended the streak with a lone goal in a 2-1 Muhlenberg victory. Finally, the team's 11-game winning streak ended in a 2-1 loss to SUNY-Binghamton. The team then beat division rival Western Maryland and Lebanon Valley to finish the regular season at 16-1.

In the post-season, the Mules beat Johns Hopkins to win the division title and, after much anticipation, received their long-awaited NCAA tournament bid; however, the team lost 2-0 in the first round.

The 1989 season was a landmark one for the Muhlenberg field Hockey team. By amassing a 14-2 record, the team received its first bid into the NCAA tournament, despite a mid-season coaching change. The Mules began the season with a 2-0 loss at home to East Stroudsburg. Undaunted, the team went on to win their next 4 games, including a 1-0 win over Dickinson and an impressive 7-0 shellaquing of Delaware Valley. The team's record was 4-1. Two days later,

the Mules trampled over Bryn Mawr, 4-0, a win that continued the team's winning streak. The streak featured wins over FDU-Madison and Moravian. Outscoring their opponents by a combined score of 29-4 during the streak, the team collected their division title, and, after beating Elizabethtown 2-1, earned their first-ever MAC championship. Offensively, the team was led by Linda Meiser, who led all Mule scorers with 13 goals

and 4 assists. She was joined by Elaine Gratrix, who had 12 goals and 3 assists, and Karen Gratrix, who collected a team-high 12 assists. The defensive arsenal was led by Tammy Frantz and Shenon Hottenstein and anchored by Lisa Bennett, who recorded 95 saves. The ladies' 14-1 record was enough to earn the team its first NCAA tournament bid. In the first round, the team lost to St. Lawrence, 1-0, and ended their season at 14-2.

The 1989 women's volleyball team, under the direction of second-year coach Frank Marino, returned 12 of 15 players from last year's squad; however, the roster included only 3 upperclassmen, including the lone senior Gladys "Go-Go" Dayoub. The remainder of the roster, comprised of sophomores and freshmen, looked to gain valuable experience to carry them in later years. The team's youth eventually

caught up with them, as the team finished 2-16. The season started off well and showed the resiliency of the team. After a tough opening loss to Ursinus, 3-0, the Mules beat Alvernia, 2-1, to even their record at 1-1. Despite this, the team lost their next 11 matches and stayed winless in the MAC southern division. On the floor, the team was led by senior Dayoub, hitters Jen Staley, Dawn Smith and

Debi Koster, setter Michele Arilotta and freshman setter-hitter Helen Becker. Having 4 of the 6 Mules' starters being underclassmen will serve the team in later years, as the Mules gain valuable experience. In the end, the young and inexperienced team showed good organization and a fine competitive spirit. This team definitely has the fire and desire to improve in later years.

Both the men's and women's teams looked to establish themselves as powers in the MAC conference: the men after a successful '88, and the women in their first year of varsity competition. The men's team sought to improve on their 8th place finish of a year ago. Led by sophomore Jeff Mahn, the team chalked an impressive 10-5 record. This year's team was anchored by Chris Seiple, Henry Mitchell and

freshman Evan Trubbe. In early November, the team placed a modest 9th out of 22 teams in the MAC tournament.

The ladies team, led by Patty Trimnell, Michelle Jones and Margie Stelwagon, erased any doubts of first-year inexperience by going 14-2. Later, in the MAC tournament, the team fared 11th out of 18 teams, a modest end to a successful first year.

The 1989-90 Men's Basketball team started their season, as usual, with the Scotty Wood Tournament. After taking the semi-final game vs. St Lawrence, 85-60, the team lost to Washington University in the tournament final, 83-73. Undaunted, the team knocked off Alvernia and Widener to move to 3-1; however, the team struggled to stay near .500 from the outset, and finished at 12-13. Jimmy Smith started every game for the Mules and averaged 17.8 points per game. He was joined by junior start-

ers Scott Boyd (13.7 PPG) and Bill McMillan, who led the team in rebounding with 6.7 boards per game. Senior Tom Lutz came off the bench to average 9.5 points and 5.2 rebounds per game. Also impressive was the play of freshmen Francis Altmire, who started 18 games, and Pat Boyle, who led the MAC Southern Conference in 3-point shooting with 56%. The Mules finished at 6-6 in the Mac Southern Division by winning their last 3 games, all against division opponents. Included in this late-

season flurry was a dramatic 78-74 win over Franklin and Marshall, the top-ranked NCAA Division III team. The team's 3-game winning streak that ended the season could be a sign of great things to come. With all 5 starters returning for play next year and only one graduating senior, the team will rely heavily on experience to carry them. With an improved bench, the team could be celebrating a division title next year.

The Women's Basketball Team capped a successful season by winning two of their last four games to take second place in the MAC Southeast Division. The team's season was stopped abruptly when, after advancing to the first round of the MAC playoffs, the team lost to Franklin and Marshall in a nail-biter, 72-70. Most surprisingly, coach Karl Foerster saw three freshmen lead the team in scoring.

Freshman Lonnie Rutman led the team in scoring with 19.4 points per contest, with freshman Felicia Perryman second with 13.2. Junior Lisa Predmore was the top rebounder with 12.4 boards per game. Off the bench, freshman Christine Perryman scored 7.7 PPG and led the team with 20 3-point field goals. After not qualifying for the playoffs for the first time in 5 years, Coach Foerster saw his

freshmen take charge of the team. The Mules posted a 10-2 record against conference rivals while amassing an impressive 18-7 record, good enough to qualify for the MAC playoffs. The team's 18-7 record, coming from a team led by mostly underclassmen, was outstanding. In 1990-91, Coach Foerster will hope for continued production from his returning players, especially the freshmen.

After an opening-match blowout of Rutgers-Camden, 49-3, the Muhlenberg Wrestling team appeared to be on the road to successful season; however, after a 20-19 win vs. LaSalle, the team lost its final 12 matches to finish at 2-12.

This year's team was anchored by seniors Rick Gilston (6-2) at 150 lbs. In ad-

dition, 4th year coach Mike LaPorta received good efforts from junior Matt Silverstein (14-4) at 134 lbs., sophomores Paul Lograno (9-3) at 126 lbs. and Chris Zingaro (8-0), Hwt. and surprising freshman Race Roth (16-7-1). With only two graduating seniors, the team won't have too many holes to fill as they prepare for the 1990-91 sea-

son.

The season had an encouraging start, as the team finished 2nd out of 12 teams at the LaSalle Invitational Tournament. Gilston, Roth and Zingaro collected first-place ribbons, Silverstein took a second, and junior Bob Eckerstrom grabbed a third.

In 1990, the Muhlenberg Men's Baseball team, despite an improved pitching staff, couldn't live up to pre-season expectations. After a dismal 1-7 run to start the season, the team never truly rebounded, and finished at 11-19, 4-6 in the MAC Southern Division.

On offense, senior outfielder Dave Coffey led the team with a .358 average and 25 RBI. Junior Dave Sonnenberg batted .317 and

played second base while junior outfielder Mike Hoffman batted .295. Rounding out the offense were junior Mike White (.297) and first baseman Owen Brown (.279).

The team's downfall was its pitching. As a group, the Mules collected an unimpressive 5.92 ERA. Senior Chris Schlenker (4-3, 2.42 ERA) and sophomore Rich Tallevi (4-2, 6.80 ERA) tied for the team lead in wins while Sonnenberg grabbed 3 saves.

The team started the season on a southern tour through Virginia and North Carolina, where the team collected a 1-7 record. After this start, the team struggled, unsuccessfully, to break .500. Near the end of the season, the team had earned a 9-8 MAC record, but following a double-header loss to F & M, the team finished 9-10, 11-19 overall.

The 1990 Women's Softball team had many reasons to celebrate this season: junior pitcher Elaine Gratrix racked up an 0.60 ERA (including 3 no-hitters), coach Brian Bodine earned his 100th career win after an 8-7 win vs. FDU-Madison, and the team went 10-0 in its own division. In the end, the team's incredible 23-6 record gave them the MAC Southeast division title.

Senior outfielder Christine Chuerra led the team in batting with an amazing .529 average. Junior third baseman Shenon Hottenstein batted .333 with 23 RBI. Rounding out the Mules' offense were senior Anne Collins (.351), junior Karen Gratrix (.284) and senior Desiree Johanson (20 RBI).

Elaine Gratrix ruled over the mound, with 96 strikeouts in 92 innings and a 12-2 record.

Anne Collins went 8-3 with a 2.14 ERA and freshman Victoria Preisler went 3-1. After dropping their first two games to Kutztown, the team won 23 of its next 27 games. The Mules' 17-game win streak ended with a pair of losses to the #2 team in the nation, Trenton State. After winning the division crown vs. F & M, the team lost to Scranton in the MAC championship game.

The men's and women's track team's each had successful seasons despite the absence of a winter training schedule. The women won their first meet vs. Haverford/Widener/Elizabethtown and enjoyed an impressive 7-3 record. Meanwhile, the men, in what was a transition year, amassed a 2-8 record. In the field, the women's team was led by sophomore Tamara Collins, who consistently placed high in the shot put, discus, triple jump and high jump. Junior Melissa Popp performed well in the javelin while soph-

omore Katy Eberhart took the long jump. On the track, the team was controlled by an able group of sophomores: Marjorie Stellwagon, Jennifer Duin, Sherry Barber and Patty Trimnell.

The men saw limited success in the field, where junior Doug Peterson scored high in the javelin, long jump and triple jump. Sean Ferry, Erich Heilemann and Mike Miley transferred from the cross-country team to qualify for the half-mile and 1500 at the MAC Championships. In addition, Rick Baker ran well in the 400.

MEN IMPRESSIVE 8-4

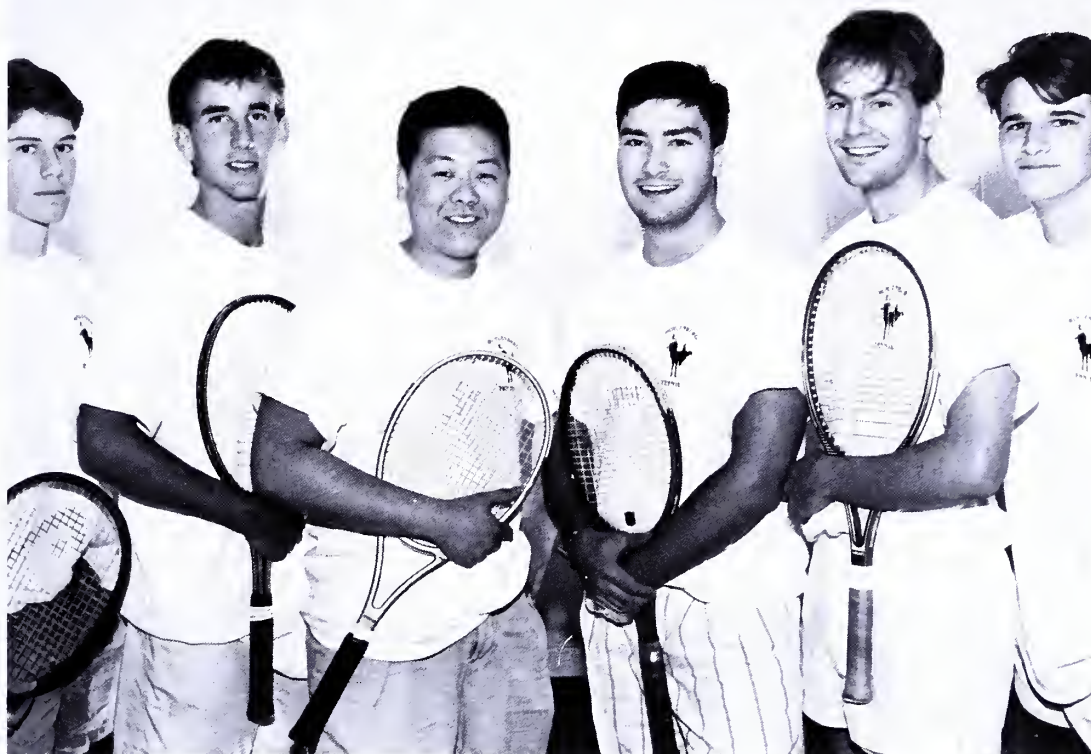

During the 80's, the women's tennis team captured the school's attention with 8 consecutive league titles. This year, the men's team, under first-year coach Dave Madeira, made few mistakes in compiling an 8-4 record. The women, hampered by injury and inexperience, went 4-7. Senior Doug Larmour played out of the #1 spot and went 6-

6. The #2 seed, senior Teal Gilbert, went 7-4. As a pair, the two had an outstanding 9-2 doubles record. Rounding out the team were junior Peter Joseph (#6, 10-1) and sophomores Garrett English (#3, 8-4), Andy Song (#4, 6-5) and Rob Sweeney (#5, 11-1). Sophomore Jen Cuccia led the women's team in wins with 9. Also with winning

records were senior Lisa Hunn (7-4) and junior Dawn Degan (6-5). With the departure of Larmour and Gilbert, coach Madeira will look to his underclassmen to fill the top spots next season. As for the women, experience should help them in later years.

After a 3-9 record a year ago, the 1990 women's lacrosse team hoped the experience of younger players would carry them to a more successful year; however, after opening losses to Swarthmore and Hartwick, the team's hopes were never realized. Junior Pam Loftus led the team in scoring with 31 goals and 3 assists. Senior Jennifer

Ruconich netted 12 goals and freshman Dna Diorio scored 10 goals along with 5 assists. Also scoring goals were sophomore Michelle O'Brien (8), freshman Shirley Bohn (8), sophomore Carrie DiForio (7) and freshman Denise DiStefano (6). Mary Foody patrolled the nets and recorded 188 saves on 356 shots.

After starting the season 0-2, the team beat Cedar Crest, 11-8, for its first win. Two games later, the Mules beat Philadelphia Textile 9-6 to go 2-3. This brief chance to break even evaporated when the team lost its next four games, finally finishing at 4-11.

GOLF

MILLER IS MAC CHAMP

The 1990 Golf Team.

The 1990 Muhlenberg men's golf team was the college's best-kept secret over the 1989-1990 athletic year. Not only did the team compile an amazing 12-3 record but freshman Bruce Miller dom-

inated a field of 105 to take the MAC individual championship.

Miller led the team and was the #1 seed. Also making huge contributions were the #2-6 players: junior Rod

James, sophomore Matt Kowalski, senior Russ Fayer, senior captain Ken Duca and junior Chris Parkes.

After an opening match win vs. F & M, the team lost 3 of their next 4 matches. Their

record stood at 2-3.

The Mules won their next ten in a row, many by up to 30 shots, to finish at 12-3. At the MAC Championships, the team shot 984, their lowest score ever, to take 4th place

TIANANMEN SQUARE — BEIJING, CHINA

Gone from Tiananmen Square are the pro-democracy banners and the tents of China's freedom movement, the armed guards and the chants of drilling soldiers. The Goddess of Democracy, a 33-foot-high replica of the Statue of Liberty which had become a symbol of the movement for democratic reform, has been crushed by tanks and taken away.

The pro-democracy protests began of April 15th with a call by students for talks on increasing social freedoms and ending official corruption. They peaked during the week of May 15th, when Gorbachev visited the country, and nearly one million people poured into the streets.

Marshall law was declared on May 20th, and troops attempted to move into the square but were driven back by masses of citizens sympathetic to the protesters.

On June 3rd, troops opened fire on the protesters, smashing through barricades with tanks to reach Tiananmen Square. While the government claims that nearly 300 people, mostly soldiers, were killed, diplomats and Chinese say up to 3,000 died, and Chinese Red Cross officials estimate 3,600 people were killed and 60,000 injured.

PARAPLEGIC CLIMBER

With the strenght of his arm and the power of his will, a paraplegic completes a weeklong ascent of El Capitan and said his 3,200-foot climb proves the disabled can accomplish great feats.

Mark Wellman, accompanied by his friend Mike Corbett, reached the summit seven days and four hours after they left the Yosemite Valley floor.

"My whole thing in life is finding another way to do it, whether that be skiing, kayaking or whatever," said Wellman, a 29-year-old park ranger.

Wellman wore the same boots he was wearing in 1982 when he fell 50 feet during a climb of 13,700 foot Gables Peek, south of Yosemite. He was left paralyzed from the waist down.

Wellman became the first paraplegic to conquer El Capitan.

FIRST FAMILY'S NEW PUPPIES

Millie, the First Family's springer spaniel, gave birth on St. Patrick's Day to four puppies at the White House beauty parlor.

President Bush, knowing of his wife's concern about Millie and the pups, had a bed moved into the beauty parlor for the first lady.

Millie's pregnancy caused a few changes in the White House. Although the puppies were born in a whelping box in the beauty parlor, the dog had been spending her nights in the First Family's bedroom.

Bush said, "I never thought we'd go through something like this again — after six kids and 11 grandchildren. But, it's a whole new thing. It's exciting."

U.S.S. IOWA EXPLOSION

A fiery explosion in a giant gun turret rocked the refitted battleship, U.S.S. Iowa killing 47 sailors and injuring many others.

The explosion occurred on April 19, 1989, in one of the battleship's three 16-inch gun turrets as the ship was taking part in a gunnery exercise about 330 miles northeast of Puerto Rico.

After a lengthy study, the Navy said that gunner's mate Clayton Hatwig "most likely" caused the explosion in the battleship's No. 2 gun turret by inserting a detonator between two powder bags.

But the investigation also alleged numerous lax procedures aboard the ship, including unauthorized experimentation with extra-strength gunpowder and projectile loads.

HURRICANE HUGO

Leaving a trail of death and destruction across the Caribbean Hurricane Hugo smashed into the coastal city of Charleston, South Carolina on September 22, 1989. Hugo's 135-mile-an-hour winds snapped power lines, toppled trees and flooded the low-lying areas of South Carolina, causing more than half a million people to flee and leaving thousands homeless.

Congress readily approved \$1.1 billion in emergency aid for the victims of Hurricane Hugo — Capitol Hill's largest disaster relief package ever.

PRESIDENT BUSH VISITS POLAND

More than 50,000 people gave President Bush a hero's welcome at the worker's monument where Solidarity was born in a wave of labor upheaval. Bush told the cheering crowd that their struggle had produced "a time when dreams can live again" in the democratic transformation of Poland.

Earlier in the day Wałęsa hosted a homestyle private lunch for the president and raised the possibility of even more aid to Poland by Western nations than the \$115 million previously announced by Bush. Solidarity argues that the help is needed to ensure that public unrest does not upset the delicate progress toward democracy. But it agrees any aid should have tight controls on it, so it is not wasted as it was in the past.

Before taking leave of the workers, Bush and Wałęsa together faced the monument and raised their arms and gave the "V" for victory, a sign used by Solidarity.

MISS AMERICA 1990

Miss Missouri Debbye Turner, a mirimba-playing veterinary student from the University of Missouri, was crowned Miss America 1990 this September. She grabbed and hugged first runner-up Miss Maryland Virginia Cha, of Frederick, and gave a thumbs-up sign to the audience before tearfully walking the runway.

Miss Turner is the third Black woman to become Miss America in the pageant's 68-year history. She succeeds Miss America 1989, Gretchen Elizabeth Carlson of Minnesota.

ALASKA OIL SPILL

The Exxon Valdez, a 987-foot tanker owned by Exxon Shipping Co., struck Bligh Reef about 25 miles from Valdez, Alaska, ripping holes in its hull, gushing millions of gallons of thick crude into pristine Prince William Sound. The result was the largest oil spill in U.S. history. Thousands of workers have helped scrub the oil-fouled shorelines, but as one environmental disaster consultant said, "A spill of this size in such a complex environment promises to be a cleanup nightmare." Exxon has pulled out its cleanup crews for the winter, and the state announced its own plan to protect fish hatcheries and those still untainted areas. Exxon had said it will re-evaluate the shorelines next spring and decide then whether to resume the cleanup on a large scale.

SAN FRANCISCO EARTHQUAKE

A catastrophic earthquake rocked Northern California on October 17, killing at least 62 people and injuring hundreds, caving in bridges and freeways, igniting fires and causing widespread damage to buildings. The quake which struck during the evening rush hour, just as Game 3 of the World Series was about to begin, registered 6.9 on the Richter scale and was on the notorious San Andreas Fault. It was the second deadliest in the nation's history, exceeded only by the 1906 San Francisco earthquake that destroyed much of the city and killed more than 700 people.

ECONOMIC SUMMIT

Leaders of the seven most powerful Western nations gathered in front of the Louvre Pyramid for the opening session of the Economic summit in Paris. They are (l/r) EC President Jacques Delors, Italy's Ciriaco de Mita, West Germany's Helmut Kohl, President Bush, host French President Francois Mitterrand, Britain's Margaret Thatcher, Canada's Brian Mulroney and Japan's Souseke Uno.

A pledge was made to address the environmental problems that threaten the planet, and they endorsed a significant strategic switch in the way rich countries cope with the Third World's staggering \$1.3 trillion debt. For the first time, the seven leaders agreed that the best way to ease the debt burden of poorer nations is to persuade banks to provide some relief instead of simply issuing new loans.

The problems of terrorism, narcotics and East-West relations were also addressed.

THE BERLIN WALL

On November 9, 1989, East Germany lifted restrictions on emigration and travel to the West, and within hours thousands of Germans celebrated on and around the Berlin Wall. By midnight, thousands of East Germans had entered the western part of the city which had been inaccessible only hours before. The Berlin Wall which has divided East and West Germany since 1961, has finally begun to crumble.

THE ROLLING STONES

The Rolling Stones launched their 1989 tour on August 13th when they pulled into a tiny New Haven, Connecticut, nightclub for a tuneup that thrilled 700 fans who paid \$3 a piece for the impromptu gig. The Stones, who had been rehearsing for the previous six weeks in the tiny northwest Connecticut town of Washington, brought the house down with an 11-song, hour-long set.

Members of the band are (l/r) Ron Wood, Mick Jagger, Keith Richards and Bill Wyman. The drummer behind is Charlie Watt. This tour is the Stones' first in eight years.

FLAG BURNING

The Supreme Court has limited the power of states to outlaw the desecration or destruction of the American flag. Justice William J. Brennan, writing for the court, said, "If there is a bedrock principle underlying the 1st Amendment, it is that the government may not prohibit the expression of an idea simply because society finds the idea itself offensive or disagreeable."

"We do not consecrate the flag by punishing its desecration, for in doing so we dilute the freedom that this cherished emblem represents."

Joining Brennan were Justice Thurgood Marshall, Harry A. Blackmun, Antonin Scalia and Anthony M. Kennedy.

KAREEM ABDUL-JABBAR

It seemed that the 7-foot-2 center would be on the court forever. But at 42, the oldest player in NBA history retired. We watched him change his name from Lou Alcindor and his religion to Muslim. His Afro-style hair gave way to a clean-shaven head. He began wearing goggles as he aged. Through most of the changes, his gracefulness endured. The skyhook was unstoppable. On June 13th, 1989, Kareem gave us his last performance. At the end of the night fans cheered him, his teammates hugged him and his opponent, Isiah Thomas, shook the hand that launched thousands of skyhooks. When asked about retirement he said, "It really hasn't set in, as far as deeper meanings. I'm just thankful I've been able to last this long and walk out the door."

PETE ROSE

Cincinnati Reds Manager Pete Rose, one of the greatest players in the history of baseball, had been banned for life from the game for betting on his own team. Rose, who has continued to deny he bet on baseball, can apply for reinstatement after one year. Even if he's turned down, the game's most prolific hitter will still be eligible for election to the Hall of Fame in 1992. "I've been in baseball three decades and to think I'm going to be out of baseball for a very short period of time hurts," Rose said at a press conference in Cincinnati, where he was born and where he broke Ty Cobb's all-time hit record of 4,191 in 1985.

UNITED CRASH IN SIOUX CITY

United Airlines pilot, Captain Al Haynes, declared "there is no hero" in the fiery DC-10 crash in which survivors outnumbered fatalities. Of the 296 people aboard, there were 185 survivors. Aviation experts have credited Haynes with keeping the craft aloft until he reached the airport, where hundreds of emergency workers were waiting.

The flight crew never doubted the stricken jetliner would make it to Sioux Gateway Airport, where the plane crash-landed short of a runway, flipped and broke apart.

"We must not forget that 111 people perished in this accident. This crew... is dedicated to finding the cause of this accident so we can never have it happen again," said Haynes.

VOYAGER 2/NEPTUNE

Voyager capped its historic 4.43-billion-mile, 12-year tour of four planets when it skimmed 3,048 miles over Neptune's north pole in August, then dove past Triton, the planet's largest moon. It made its closest approach about 23,900 miles above the moon's surface at 2:10 a.m. on 8/25/89.

Voyager was nearly 4.5 billion miles along a curving path that took it from Earth in 1977, past Jupiter in 1979, Saturn in 1981 and Uranus in 1986, and now past Neptune in search of the edge of the solar system. Voyager 1 explored Jupiter in 1979 and Saturn in 1980. "If you want to understand Earth, go look at other worlds," said astronomer Carl Sagan, a member of the team that analyzed about 81,000 photographs taken by Voyager 2 and its twin Voyager 1.

VIETNAMESE BOAT PEOPLE

More than 61,000 boat people fled Vietnam in the first eight months of this year, a figure higher than any full year since 1981, and Hong Kong is bearing the brunt of the influx.

Most of the newcomers in the British colony face forced repatriation as "economic migrants" because only those boat people who arrived before June 16th, 1989, were automatically considered to be fleeing political persecution.

There have been many flights in the overcrowded Hong Kong camps, and cholera has broken out among other Vietnamese refugees living in primitive conditions on outlying islands.

Although Communist Vietnam is encouraging the voluntary return of migrants who are refused refugee status, only 260 have gone back despite formal assurances that they need not fear any reprisals.

ASIAN SHADE

Asian Shade by Larry Ketron is about two young men drafted for the Vietnam War. Ketron raises the emotional aspects of going off to war and fighting for your country to our attention. Asian Shade ran from February 9th through the 17th. Ted Keneally, Andy Smith, Jack McGavin, Cheryl Irwin, Tina LaPadula and Deneb Falabella acted under the direction of Joel Colonder.

STREET SCENE

Street Scene

Street Scene is a musical with music by Kurt Weill and lyrics by Langston Hughes based on Elmer Rice's play Street Scene. "Most musical theatre is intended as an escape from the world, but Street Scene forces us to confront the anguish and to look deeply and passionately into the soul of the underclass of American society," said director Charles Richter. The following were in the musical: Tim Roche, Kam Cheng, Drew Cardinale, Marit Wyse, Jennifer Markham, Carrie Campbell, A.J. Irvin, Chris Farkas, Carole Silvoy, Joe Karaisz, Fausto Pineda, Stephen Molloy, Jim Francis, Benjy Gitterman, David Kutos, Elizabeth Yannet, Kim Hirko, Beth Woolridge, Don Hardy, Nathalie Davenport, Kamal Rowshan, Michael Quagge, Deborah Coppola, Keith Howland, Megan Wagner, Melissa Klausner, Christian LaFreniere, Neil Haver, Chris Siano, Cole Bonenberger, Jennifer Schoonover, Karen Gilman, Sheri Bryce, Ann Lodge, Ly Wilder, Terri Rapp, Alisa Sickora, Cheryl Moritz, Amy Cohen, Kati Farkas, Jennifer Jones, Tim Jones, Heather Bruning, Jencardin, Laura Cushman, Jeff Gansheroff, Jennifer Goldberg, Jodi Henninger, Margie Kotter, Shawn Monk, Sean Morrow, Leslie Schuman and Kristin Wicks. The Red Door Cafe is a place where Muhlenberg students can go to get away from it all. It is a great place to meet your friends, to catch up with the latest gossip, or even to study. The cafe is student managed and operated and it provides many students with an opportunity to grow and develop.

On a fairly regular basis, the Red Door Cafe offers the students some form of entertainment, usually starting on Thursdays and continuing through the weekend. The types of entertainment offered are comedy acts, musicians and movies. This Red Door season start off with a performance from Dave Binder. The Red Door always provides something to do.

Within its three year existence, the Red Door Cafe has become a major part of Muhlenberg's campus. It involves itself in most major activities an campus such as Homecoming and Parent's Weekend, and also provides students with another area to socialize.

The Red Door promises to be an asset to Muhlenberg and its students.

The 1989-1990 academic year marked the beginning of a new Muhlenberg activity — Community Service Day. Community Coordinator, Jenny Chu organized various activities for the campus to get involved in. Students, fraternity brothers and sorority sisters gave up their time to participate in Community Service Day. Activities included painting a stone wall in the lower section of Allentown, a circus for under privileged children in Allentown and many more. Students who participated were given T-shirts in appreciation for all their help, which contributed to the great success of Community Service Day.

Community Service Day turned out to be a great benefit for the community and those involved. It will remain on Muhlenberg's activity calendar for years to come.

A NIGHT FOR SPIROS

Although the 1989-1990 school year was fun-filled for most, it was not without its share of tragedies. During the strike of a Muhlenberg Theatre Association production, Spiros Mantzavinos, a Sigma Phi Epsilon senior, fell from the scaffolding and was hospitalized for the better part of his senior year. It was not known at that time whether he would walk again or graduate.

During his absence, Muhlenberg pulled together and held a benefit program in his honor entitled "A Night for Spiros." This was a musical cabaret held by the students. Most of the skits were performed by the students, but those who were not as theatrically inclined attended the production. The proceeds from this and the sale of T-shirts by his fraternity brothers were given to Spiros and his family to ease their burden.

To everyone's surprise, Spiros triumphed over this hurdle in his life. Within months, he was back on campus, walking, and graduated with the Class of 1990. Spiros was and is an inspiration to all.

No one could be happier about Graduation than Spiros.

COMMENCEMENT

On May 20th, 1990 Muhlenberg College celebrated its 142nd Baccalaureate and Commencement Ceremonies. Although these ceremonies were held indoors because of the threat of rain, the day turned out to be as beautiful as one could hope for.

The Baccalaureate service was held at 10:00 a.m. and was given by Bishop Mark Dyer of the Episcopal Diocese of Bethlehem. After the service, a luncheon was held on the grounds with Commencement to begin at 2:00 p.m.

At approximately 1:30 p.m., the Class of 1990 began to line-up for the processional. To the sounds of the Allentown Band, Memorial Hall filled with students, faculty, family and friends. The invocation was given by Thomas B. Chittick, College Chaplain and, with the opening remarks given by Professor John Weston, the 142nd Commencement of Muhlenberg College was under way.

This year's speaker from the Class of 1990 was Peter Holmberg. He took the class through a humorous trip down memory lane. But, beneath all the laughter, was the memory of our stay at Muhlenberg — moments that will be treasured throughout our lives. The guest speaker was Democratic Vice-president nominee of 1984, Geraldine Ferraro. Her words to the Class of 1990 will be remembered for years to come.

This year's recipients of Conferring of Honorary Degrees included Rev. Mark Dyer receiving a Doctor of Divinity, Lawrence M. Resse '37 — Doctor of Divinity, Johannes Richter — Doctor of Divinity, Alfred T. Williams — Doctor of Laws, George M. Woodwell — Doctor of Science and finally, Geraldine Ferraro — Doctor of Laws.

The ceremonies concluded with the awarding of baccalaureate degrees by President Jonathan Messerli with the candidates presented by Dean Nelvin Vos. Afterwards, a reception was held in the Center for the Arts for the graduates, their families and friends, and the faculty. The best of luck to all those of the Class of 1990!

Beth Woolridge and Lee Herbst lead the Class of 1990 in the school hymn.

158 Ron Horowitz and Bill Keys say their final goodbyes.

Reminiscing about old times brings a smile to Carolyn Mule's face.

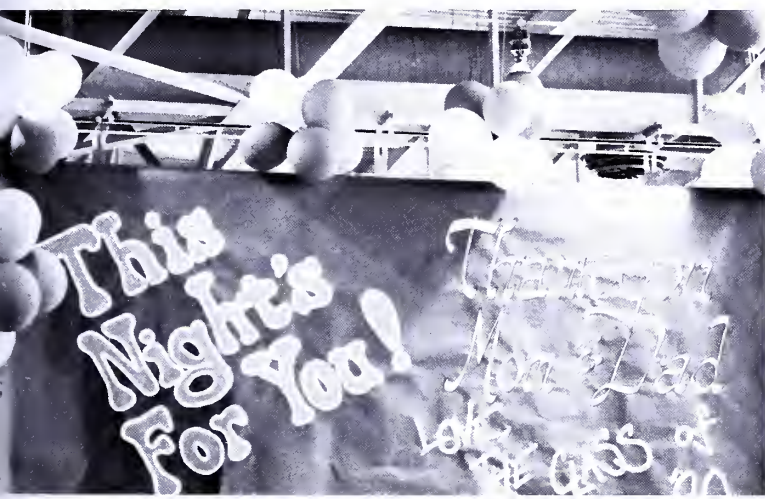

Maggie is thrilled that the ceremonies are complete.

Geraldine Ferraro presents Meg Jenkins with a special honor.
